Location

Braintree is a growing Essex market town with a population of around 45,000. It enjoys excellent transport links due to its close proximity of the busy A120 and around 15 miles west of Colchester and north of Chelmsford. There are direct rail links into London Liverpool Street with a journey time of around 1 hour and London Stansted Airport within 15 miles. The property is located within the Southern area of Braintree town, within a pedestrian route allowing easy access through to the High Street. The area is predominantly occupied by independent retailers.

Description

The property is accessed via a ground floor door between The Children's Society (12 New Street) Kings Property (2-4 New Street). This leads directly to a staircase taking you to the first floor, above 12 New Street.

The property itself is divided into a variety of different rooms and storage areas many with carpeting and some with laminate flooring. The windows are single glazed and there is spotlighting through providing a good amount of light, the walls and ceilings and plastered and painted with perimeter trucking surrounding.

There is also a kitchen and both male and female WC's. In terms of condition, the property appears to be in reasonable repair but could do with a coat of paint, alternatively a tenant may seek a rent free period if you would rather offer this. We understand the property has both electric and water, I can see evidence of old gas pipes, but these appear to be capped off.
